NEW IN 2015!

Here is your opportunity to challenge yourself and your friends and compete at the Citrus Trail Runs in a new way! Register as a team of four with a different person running each of the distances (one person runs the 4-miler, one person the 10-miler, one person the marathon and one person the 50K). We'll have categories for co-ed, all-male and all-female teams of four. We'll have awards three-deep in each category based on the cumulative time of the team members in each distance.

In addition, Dare Greatly Team Challenge participants will also receive:

- ◆ A unique Dare Greatly Team Challenge race shirt
- ◆ A unique Dare Greatly Team Challenge finisher's award

Dare Greatly Team Challenge participants will still be eligible for individual awards (overall and age group) and receive an additional finisher's award for their distance.

So, gather your friends or family, create a cool team name, register today and start training!
